RIVERSCAPE

Join in our intergenerational,  
online craft activity!

Take two shoe boxes, filled with  
everything you need.

Gift one to an older family member or  
friend and keep one for yourself.  
Watch four how-to videos together and  
make your own shoe box  
theatres, inspired by stories from the  
River Nene.

Internet access needed – turn over to read more.

Staying connected to the people we care about is important right now.

Keeping safe is important too, so when you gift your second shoe box to an older family member or friend, ask them not to touch it for 72 hours. Do the same too.

In the meantime, go to

**[www.craftingrelationships.co.uk](http://www.craftingrelationships.co.uk)**

You'll find a link to the **Riverscape** project on the homepage from 18th December. Ask an adult to support you to do this and remember to stay safe online.

Find a time to get together online with your older craft buddy and go through the activity videos together. We've made how-to videos for screen sharing too.

We would love to hear your stories and see what you've made together on our **Crafting Relationships Facebook page** – you can see what others have made too!
